PROCESSED SAND AND GRAVEL AVAILABLE

London Rock Supplies has teamed up with RJD to process and market approximately 1,000,000 tonnes of natural sand and gravel.

Elton Quarry, situated off the A1 on the Northamptonshire/Cambridgeshire border, will now have available: building sand; concreting sand; 10mm, 20mm and 40mm shingles together with natural ballast Type 2, 6F2, 6N and 6F5 to name but a few.

**FOR FURTHER INFORMATION,
CALL LONDON ROCK ON:**

0208 207 5566

With London Rock's reputation as a service oriented organisation and RJD's technical know-how, we are pushing further afield to service both East Midlands and East Anglian areas alongside our existing London and Home Counties markets.
