Health & Safety Policy Statement

The Managing Director is committed to achieving excellence in Health and Safety Management. High quality safety is a business priority. Achieving this level of excellence requires co-operative effort at all levels in the organisation and suppliers.

Our vision

A safe, profitable growing business without compromise our customers first choice for quality, delivery and value for money.

This policy supported by our safety management systems, and other company procedures and guidance, must be applied to all business activities carried out by London Rock Supplies Limited. This policy statement together with the Health and Safety management system is intended to provide all employees with a safe working environment, which will minimise loss and injury and increase the performance of the business.

London Rock Supplies Limited will:

- Assess and manage the risks to the Health and Safety of our employees and others that may be affected by our work activities. Implement and maintain management systems to ensure effective planning, organisation, control, monitoring and review of health and safety measures.
- Promote safe working practices and standards of behaviour, which minimise the risk of injury and occupational ill health.
- Promote a learning culture and continuous improvement of Health and Safety performance.
- Endeavour to create a Zero Harm company.

Our Health and Safety Management Systems will be supported by a series of objectives and targets, decided by the Managing Director. These objectives will be periodically reviewed and reported to establish effectiveness. Customers, staff, contractors, suppliers and other interested parties are encouraged to work with us to achieve this continual improvement. In particular, the active support and participation of our staff on all projects is essential to our success.

This statement will be reviewed annually and is available to the public and interested parties on request.
