

Consultee Comment for planning application MW.0115/21

Application number	<input type="text" value="MW.0115/21"/>
Name	<input type="text" value="Paul Harris"/>
Address	<input type="text" value="Countryside Access Team Signal Court Eynsham"/>
Type of Comment	<input type="text" value="Comment"/>
Comments	<div><p>Mary, thanks for this consultation. No objection to this proposal but it should be noted that the straw bale visual buffer proposed next to the public footpath may become unstable, be prone to vandalism and/or degrade over time. Provision should be made for regular periodic inspection and replacement of the bales.</p><p>Paul Harris Principal Officer PRow Access Strategy & Development Oxfordshire County Council</p></div>
